

DXP WATER MUNICIPAL PRODUCTS AND SERVICES

» WATER TRANSFER AND PUMP STATIONS

Clean water, dirty water, effluent, tertiary water

KSB Horizontal split case pumps

MTH Regenerative turbine pumps for sample pump applications. Low flow/high head pumps.

Patterson Pumps Horizontal split case, end suction water transfer, and vertical in-line pumps

Pioneer Pump Self priming pumps for water, sewage, and other solids. Engine driven and trailer mounted pump packages

PremierFlo Engineered packaged pump systems for HVAC, general water booster systems

Pumpworks ANSI End suction ANSI pumps provides a 5 year warranty, No oil changes for 5 years, runs cooler, and interchangeable with Goulds 3196 or Durco

Simflo Verticle turbine

Xylem/G&L Stainless steel and Cast Iron water transfer/ booster pumps

» SUBMERSIBLE PUMPS, SEWAGE LIFT STATIONS, AND SUMP PUMPS

AK Industries FRP lift station basins

Argal Fiberglass centrifugal pumps horizontal and vertical designs meeting ANSI dimensional standards

BJM Non clog, chopper, grinder, dewatering pumps

KSB Pumps Dry pit and submersible non-clog pumps

Patterson Pumps Horizontal, vertical and dry pit non-clog pumps

Pioneer Pump Self priming pumps for water, sewage, and other solids

Pit Bull Pumps Air-operated non-clogging sump pumps

PRIMEX Control panel packages

» CHEMICAL FEED, TRANSFER EQUIPMENT, AND TANKS

Sodium hypo, sulfuric acid, caustic, ferric, polymers, bisulfite and other chemicals

Argal Pumps in fiberglass, PVC, CPVC, and PVDF. Horizontal and vertical designs. Matches Fybroc and Vanton Footprint

BJM Pumps Submersible pumps in 316 SS and non-metallic designs

ChemFlare Leak free piping systems, chemical feed skids and packages

Complete Chemical Feed Skids and Packages Plastic and metal skids with controls and accessories

Finish Thompson Non-metallic Teflon-lined magnet drive chemical transfer pumps

Griffco Pulsation dampeners, calibration columns, back pressure valves, and pressure relief valves

LMI Electronic diaphragm metering pumps

Milton Roy Diaphragm metering pumps for chemical injection offering hydraulic and mechanical designs

Perry Fiberglass tanks and odor control for chemical storage

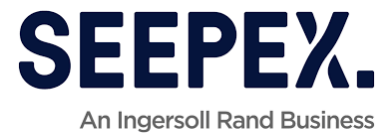

Polymer Feed and Blend Systems

Pumpworks ANSI End suction pumps in 316 SS, hastelloy C, titanium

Seepex Smooth, pulse-free flow, perfect for high viscosity, polymers

Snyder Tanks for chemical storage

FEATURED BRANDS:

DXP WATER MUNICIPAL PRODUCTS AND SERVICES

» SLUDGE TRANSFER PUMPS

Primary, WAS, RAS, Grit, Thickened Sludge, Cake
KSB Dry pit and submersible non-clog pumps
Patterson Horizontal and vertical dry pit non-clog pumps
Seepex Progressive cavity pumps for any sludge applications

» MECHANICAL SEALS AND COUPLINGS

Flex A Seal Seals and support systems
John Crane Couplings and Filtration Systems
Seal Repair Services
API/ANSI Seal Support Systems
Uniguard Coupling Systems

» RO, DESALINATION, AND STORM WATER

Patterson Pumps Horizontal split case pumps and vertical in line pumps
Pumpworks ANSI End suction ANSI pumps made in 316 SS, Duplex SS, Titanium
Simflo Verticle turbine

» GRINDERS AND OTHER EQUIPMENT

AODD Pumps by Sandpiper, Wilden, ARO, and Yamada
Base Plates/Skids BaseTek-non-metallic, highly engineered bases available
Engineered Metal Bases
Tanks Fiberglass, plastic, metal and pressure vessels

» SERVICE AND REPAIRS

Complete Rotating Equipment Repair and Machine Shop. Capable of repairing ANY size pump, blower, or compressor.

Full Field Service Repairs available including installation, equipment removal, preventative maintenance, seal changes, valve replacement, motor replacements, base grouting, etc.

» BLOWERS, COMPRESSORS, AND VACUUM PUMPS

Gardner-Denver Blower packages
Tuthill Blowers and Compressors packages
Vacuum pump packages from Tuthill, Travaini, and others

» MIXING SOLUTIONS

KSB Submersible mixers

» CONTROLS, MOTORS, AND DRIVES

Baldor/Reliance
WEG
World Wide Electric
Complete Motor Repair Services
Primex Control panels, MCC, and SCADA systems
Variable Speed Drives from 1/2 HP to 2000 HP
